CERTIFICATE OF COMPLETION

This is to certify that **Mr. Aryan Singh** (Registration No.: 12516621), a student of B.Tech Computer Science & Engineering (Data Science & Machine Learning) at Lovely Professional University, has successfully completed his Community Development Project (CDP) with Prerna Girls School during the period [**07-07-2026**] to [**24-07-2026**].

During the project, he actively contributed to the Foundation's educational support initiatives by teaching Computer Science to students of Classes 10 and 11. His responsibilities included planning and delivering classroom sessions, teaching computer fundamentals and Microsoft Office applications, conducting both theory and practical demonstrations, preparing instructional materials, and promoting digital literacy through interactive and student-centric learning methodologies.

Topic of Work:

Computer Science Education, Digital Literacy, Microsoft Office Training, and Classroom Instruction for Classes **10 & 11**

Total Hours Completed: **36 Hours**

We appreciate his dedication, sincerity, professionalism, and commitment towards community service and educational development. His contribution to the Foundation's educational initiatives has been valuable, and we wish him continued success in his future academic and professional endeavors.
